Rules of the game[©]

Start: two players play on a board with 5 x 5 fields. Each player has 4 stones. The stones are aligned on the opposite borders. Every player has a pair of stones on each side. (see graphic)

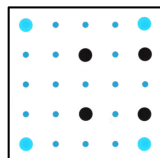

Aim: be the first to build a square with your stones (while shouting "MONDRAGO").

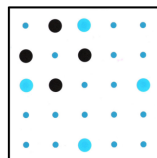

Moves: move one of your stones to an empty field next to it. You can move in any direction: Vertical, horizontal and diagonal, too. You cannot jump over a stone.

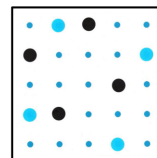

Tip: there are several possibilities to build squares.

1st straight

2nd diagonal

3rd oblique

To have Stones just take coins, cork stoppers or little stones, etc.
